

# RAW·INTERIORS

## **Mid-Senior Interior Designer**

Location: London

Availability: Full-time, freelance

Travel: Occasional travel within the UK and internationally

We are seeking a talented and highly motivated Mid-Senior Interior Designer to join our growing studio and contribute to the delivery of exceptional projects. This is an exciting opportunity to work on unique residential and commercial designs both in the UK and abroad. As part of our team, you will collaborate closely with the founder to bring creative visions to life.

### Key Responsibilities:

- Managing projects from concept to completion
- Coordinate with contractors, suppliers, and the broader design team to facilitate seamless project execution.
- Produce technical and detailed drawing packages
- Experience in interpreting joinery rod drawings and M&E drawings
- Manage FF&E budgets and orders in line with the project timeline

### Key Requirements:

- Experience: At least 3-5 years experience as an interior designer
- Technical Skills: Proficiency in AutoCAD, EstiMac, photoshop and Mac-based software (Numbers, Keynote etc.).
- Organisational Skills: Highly organised with meticulous attention to detail
- Communication: Strong ability to liaise contractors, suppliers and the wider team.
- Problem-Solving: Ability to anticipate challenges and develop creative solutions

To apply, please send your CV and portfolio to [info@rawinteriors.co.uk](mailto:info@rawinteriors.co.uk) with the subject 'Interior Design Position.'
