Key responsibilities:

- Client presentations including mood boards, 2D drawings, materials and sample boards.
- Sourcing furniture, including antiques.
- Designing bespoke joinery and furniture.
- Joinery drawings and packages.
- 2D drawings for construction.
- Lighting and electrical design and drawings.
- Managing procurement and FF&E schedules and budgets.
- On-site management and delivery of projects.

Skills and experience:

- A relevant professional qualification in interior design or interior architecture
- A minimum of five years' experience working in high-end residential interior design
- AutoCAD
- Knowledge of Studio Designer (not essential)
- Microsoft Office suite
- ArchiCAD (not essential)
- Excellent communication and presentation skills
- Able to work across multiple projects, and manage projects from concept through to completion.

Please apply with your CV, samples of your portfolio and salary expectations, we look forward to hearing from you.
